

Activities of Priests for Life for the 2018 Elections

From the day President Trump took office the Democrats have tried to hijack the 2016 Presidential election from the American people. Working with self-proclaimed establishment “moderates” in the Republican party they have blocked the President from fulfilling his campaign promises ... especially those he made to the pro-life movement.

Now with the “fake news” media leading the way, the Democrats have vowed to make the 2018 mid-term election the “Impeachment Election” and are determined to run Trump out of the White House. If they succeed, our chances to defund Planned Parenthood and advance the pro-life cause in America will end.

Knowing this Priests for Life is preparing to unleash the full might and power of our election-related activities. This includes everything we did in 2016:

- Produce and air our Defending Life series on EWTN, twice a week, with special election-related episodes.
- Instruct churches how to conduct non-partisan voter registration drives.
- Use the www.PoliticalResponsibility.com website to publish voter guides, Church documents, statements from bishops and action items for the election.
- Activate dozens of social media platforms for voter education and mobilization with over a million followers (see www.ProLifeSocialMedia.com).
- Distributing hundreds of thousands of our “Democratic and Republican Party Platform Comparison” guide, in English and Spanish.
- Conduct national training webcasts for clergy and laity.
- Send out faxes, emails, and regular mail to every Catholic parish in America with election-related materials, resources for prayer and bulletin inserts.
- Conduct “on the ground” training for pro-life activists and election volunteers to help with voter identification, education, and “Get Out the Vote” activities.
- Speaking engagements on political responsibility by the priests and laity on the Pastoral Team of Priests for Life.
- Organize and lead various Election 2018 prayer campaigns.
- Mobilize the African-American community under the leadership of Dr. Alveda King, fulltime director of Priests for Life’s “Civil Rights for the Unborn” project.

- Mobilize the Hispanic community through our SacerdotesPorLaVida.org Hispanic Outreach activities, social media videos, and travels.
- Mobilize the youth through our Youth Outreach headed by Bryan Kemper.
- Air election-related radio spots on Bott Radio Network, EWTN Global Catholic Radio (English and Spanish), Ave Maria Radio and other stations and networks.
- Encourage early voting by publicizing the opportunities through parishes, offering rides to those who need help getting to the polls, and use of absentee ballots.
- Mail “Election Kits” to hundreds of thousands of supporters and activists.
- Blast emails to hundreds of thousands of activists with election-related information and specific actions they can take to advance the pro-life cause at the ballot box.
- Pump out hundreds of election-related press releases and articles.
- Challenge Democratic candidates to describe what they defend when they express support for legal abortion.
