

## POST COMMUNION TALKS KEVIN BURKE

Pastoral Associate, Priests For Life, and  
Silent No More Awareness Campaign  
A Message of Mercy and  
Healing for Those who have  
Suffered Abortion Loss

*"...The thing the Church needs most today is the ability to heal wounds and to warm the hearts of the faithful; it needs nearness, proximity. I see the Church as a field hospital after battle... You have to heal his wounds."  
Pope Francis*

Kevin Burke, Pastoral Associate of Priests for Life and the Silent No More Awareness Campaign, has worked for the last 20 years bringing hope and healing to those who have experienced abortion loss. Kevin is available to share a five-minute message to your parishioners after communion about how abortion loss can affect women and men, their relationships and marriage/family life.

Most importantly, his message will encourage and inspire those suffering from this loss to learn more about this issue and attend a healing program.

A deeper healing of this loss brings such blessings, and strengthens one's relationship with God, spouse and living children. In time this will provide a great benefit to your parish as those who are free of this burden often discover they are called in various ways to build up God's kingdom and serve in parish life.

Kevin's message can be tailored to fit your needs. For example, he can focus on men and abortion, or how abortion impacts marriage and family life or a general overview of the issue.

Every presentation will be a message of hope and healing available in Christ and His Church and the time-tested healing programs for abortion loss.
