Dear Father Pavone,

Your letter wherein you introduce the non-partisan voting guide "Comparison of the 2016 Republican and Democratic Platforms", designed by Priests for Life, as well as the copy of the review letter from Alliance Defending Freedom, have been received. Thank you.

The work of Priests for Life is known and appreciated. In our journey toward a Culture of Life there are and will be significant challenges and being politically aware of party positions in order to best vote in favor of life is truly important. Thank you for your work in this regard.

This opportunity is taken to extend to you the assurances of my continued consideration, as well as my prayers for you and Priests for Life

Sincerely yours in Christ,

+ Frank J. Dewane  
Bishop of the Diocese of  
Venice in Florida
