PRO-LIFE MISSIONARIES TO THE WORLD

October 29, 2013

Dear Father Frank,

Congratulations on 25 years of serving the Church and her mission to save lives and souls! There can be no doubt that your energy and charism has led to countless lives being saved, and many ministries being supported to spread the Gospel of Life throughout our nation and the entire world.

As priests we have a dual role to play as we fight in the trenches for life. We must bring both the truth about the beauty and God-given right to the life of every human being, and we must bring as many of our brothers and sisters to Christ through witness, the sacraments, and charity. Sharing in the great mission of the Church and the pro-life movement is an honor, one that I and many other priests are pleased to share with you.

May the Lord of Life grant you many more years of faithful service, and whatever you need to continue to give Him the glory in all that you do!

Sincerely,

Rev. Shenan J. Boquet
