

Priests for Life 2018 Financial Report (Projected)

Priests for Life continues to reach out to almost 100,000 supporters asking them to participate in our life-saving work. 2018 was a tremendously successful year for growth. While our annual independent audit is still underway and will yield more precise numbers later (which will be posted at www.PriestsForLife.org/audit), we expect a surplus of around \$159,601. Also we were able to direct 80% of our expenditures to projects and programs—an excellent percentage when compared with other non-profit organizations.

2018

Total Income	\$11,159,601 (Est)	
Total Expenditures	\$11,000,000 (Est)	
Net Income	\$159,601	
Expenditures		
Program and grants	\$ 8,750,000	80%
General and Admin.	\$1,250,000	11%
Fundraising	\$1,000,000	9%

For 2018 only 7% of the total income received is from substantial gifts, wills, and bequests. The remaining 93% of donations are received from individual donors with the average gift of less than \$50.

Rachel's Vineyard continues to operate as a ministry of Priests for Life. Within this relationship, Priests for Life provided \$255,000 this year to this branch of our ministry.
