## Silent No More Awareness Campaign

### Year End Report for 2018

The *Silent No More Awareness Campaign* ([www.SilentNoMore.com](http://www.SilentNoMore.com)) and its initiative *Healing the Shockwaves of Abortion* ([www.AbortionShockwaves.com](http://www.AbortionShockwaves.com)) continue to grow.

The Silent No More Awareness, a joint project of Priests for Life and Anglicans for Life, is a Campaign whereby Christians make the public aware of the devastation abortion brings to women and men. The campaign seeks to expose and heal the secrecy and silence surrounding the emotional and physical pain of abortion.

The Campaign was co-founded by Janet Morana (Executive Director of Priests for Life) and Georgette Forney (President of Anglicans for Life), and began on November 11th, 2002. As of January 2019, the Silent No More Awareness Campaign has held 2,050 Gatherings in 17 countries and all 50 states with 6,431 women and men sharing their abortion testimonies. Testimonies have also been shared at 150 high schools and universities in the last 10 years.

There are 2,733 testimonies posted on the Campaign website with 525 that are shared via video! Currently there are 18,720 people registered with the Campaign representing 77 countries.

People who are not ready to join the Campaign, are invited to 'register their regret'. So far, 5,819 women and 663 men have said they regret their abortion or lost fatherhood. 700 women and men have posted memorials to their children.

There are 70 regional coordinators active in the United States and abroad (including Canada, the Bahamas, France, the Netherlands, Nigeria, Spain, and Uganda). Seven new Regional Coordinators were trained this year.

In 2018, Silent No More Regional Coordinators participated in 55 events. They spoke at 5 high schools and universities. Over 800 people heard their testimonies or learned more about the campaign.

This past year, 480 new people registered with the campaign. There were 102 new testimonies submitted this year, 47 of which are video testimonies.

In addition Kevin Burke, Janet Morana, Georgette Forney and Fr. Frank Pavone traveled extensively during 2018 promoting the message of the Campaign.

Janet and Fr Pavone presented two workshops at the Heartbeat International Conference. Janet taught a class on Shockwaves at the Regina Apostolorum in Rome and she spoke at the March for Life in Rome and her speech was in Italian. Janet also spoke at the March for Life Canada.

Janet also hosted and conducted a Hope Alive Level 1 training for post abortion counseling at our headquarters in Titusville. Janet also is on the Board of The International Association of Hope Counselors and she hosted their annual general meeting and conference at our headquarters.

Janet continued to spread the message of the Campaign on the two TV shows she hosts on EWTN, “The Catholic View For Women” and “Defending Life”. In addition the Campaign as well represented throughout the year on the radio program she and Fr. Pavone host on Radio Maria called The Gospel of Life.
