Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2014

NOTE - 1

ORGANIZATION AND PURPOSE

Priests for Life, Inc. was formed on December 21, 1990 exclusively for charitable, scientific and educational purposes. More specifically, Priests for Life, Inc. is an organization created to identify, educate, network and encourage Catholic clergy to teach and preach effectively about the defense of human life from abortion and euthanasia, in the context of a consistent ethic of life, and to educate lay people on these issues, and work in an interdenominational context.

NOTE - 2

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounting records of Priests for Life, Inc. are maintained on the accrual basis. Revenue and related assets are recognized when earned, and expenses and related liabilities are recognized when obligations are incurred.

B. Basis of Presentation

In accordance with Statement of Financial Accounting Standards FASB ASC 958-205, (formerly Financial Accounting Standards (SFAS) No.117), "Financial Statements of Not-for-Profit Organizations", Priests for Life, Inc. is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of December 31, 2014, Priests for Life, Inc. has no permanently restricted net assets.

C. Cash and Cash Equivalents

Cash is defined as cash in demand deposit accounts as, well as cash on hand. Cash equivalents are short term, highly liquid investments managed as part of its long-term investments.

D. Investments

Investments in marketable securities with readily determined fair values and all investments in debt securities are carried at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities and Changes in Net Assets.

E. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three-tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect management's judgement about the assumptions that market participants would use in pricing the asset or liability.

F. Property & Equipment

Fixed assets are stated at cost less accumulated depreciation. Repairs and maintenance costs are expensed when incurred. The estimated useful lives of depreciable assets range from 3 - 5 years. Depreciation is recorded over the estimated useful lives of the related assets using the straight-line methodology.

G. Artwork - Religious Articles

Priests for Life, Inc. capitalizes its artwork of religious articles. Accessions are capitalized at cost if purchased and at appraised or fair value at date of accession if received by donation. In accordance with FASB ASC 360-958, "Recognition of Depreciation by Not-for-profit Organizations," (formerly Financial Accounting Standards (SFAS) No. 93), Priests for Life, Inc. has not recorded depreciation on its artwork of religious articles.

H. Donated Services

No amounts have been reflected in the accompanying financial statements for donated services. Priest for Life, Inc. generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist Priests for Life, Inc. with specific programs, campaign solicitations and various committee assignments.

I. Income Taxes

Priests for Life, Inc. is exempt from Federal income taxes under Section 501 (c) (3) of the Internal Revenue Code and, therefore, has made no provision for Federal income taxes in the accompanying financial statements. In addition, Priests for Life, Inc. qualifies for the charitable contribution deduction under Section 170(b) (1) (A) (vi) and has been determined by the Internal Revenue Service not to be "private foundation" within the meaning of Section 509(a) (1) of the Internal Revenue Code.

Priests for Life, Inc. regularly reviews and evaluates its tax positions taken in previously filed information returns with regards to issues affecting its tax exempt status, unrelated business income and other related matters. The management of Priests for Life, Inc. believes that in the event of an examination by a taxing authority, the positions taken by it would prevail such an examination.

Accordingly, Priests for Life, Inc. has concluded that no tax benefits or liabilities are required to be recognized in the accompanying financial statements.

Priests for Life, Inc. files Federal Form 990, "Return of Organization Exempt from Income Taxes," which is an information return and is subject to examination by the Internal Revenue Services ("IRS") generally for three (3) years after the return is filed.

As of the report date, Federal Form 990 for the years ended December 31, 2011 through 2013 are open to examination by the IRS. No returns are currently under examination by the IRS.

J. Date of Management's Review

Priests for Life, Inc.'s management has evaluated events and transactions for potential recognition or disclosure in the accompanying financial statements through September 18, 2015, the date these financial statements were available to be issued.

K. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, net assets, revenue, and expenses for the reporting period. Actual results could differ from those estimates. Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and /or nature of any donor restrictions.

L. Public Support and Revenue

Contributions that are restricted by donors are reported as increases in unrestricted net assets if the restrictions expire in the reporting period in which the contributions are recognized. All other donor- restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Changes in Net Assets as net assets released from restrictions. Dividend and interest income are recognized when earned.

M. Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Costs related to the operation and maintenance of the physical plant, including depreciation of plant assets, are allocated to program and supporting services (which includes management and general and development expenses) based upon the useable square footage of such facilities.

NOTE – 3

INVESTMENTS

Investments are reported at fair value based upon quoted market values. At December 31, 2014, investments are comprised of:

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

At December 31, 2014, the fair values of investments are based on Level 1 measurements.
