### Rehabilitation for Former Abortionists and Clinic Workers

[www.SocietyOfCenturions.com](http://www.SocietyOfCenturions.com)

Those who have worked in the abortion industry -- *even for just a day* -- are deeply damaged, without exception. In 1996, the Society of Centurions was officially formed by Canadian psychiatrist Dr. Philip Ney to assist these men and women to find psychological healing and peace.

The journey is *arduous*.

The model is *medical*.

The rehabilitation program has been offered throughout the world for nearly two decades.

The opportunity is here once again.
