States moved to Trump column:

- Georgia
- Pennsylvania
- Arizona
- Wisconsin

MRC Media Analysis

MRC has been tracking and reporting on stories throughout the 2020 campaign that the media have deliberately under-reported or completely ignored.

For example:

MRC and The Polling Company surveyed 1,750 Biden voters November 9-18 across the seven closest states* to assess their awareness of several news stories and how it might have affected their votes.

The margin of error for the study is +/- 2.34%

* AZ, GA, NC, NV, PA, WI, MI

Survey Questions

We asked Biden voters if they were aware of the following stories:

- Hunter Biden's financial dealings with foreign countries
- 3Q annualized GDP growth of 33.1% – the highest rate of growth ever
- The creation of over 11 million new jobs May-September 2020
- The negotiation of multiple peace agreements between Arab nations and Israel and the subsequent Nobel Peace Prize nominations
- The sexual assault accusation against Joe Biden from the 1990s
- Sen. Kamala Harris being rated the most left-wing senator, even to the left of Sen. Bernie Sanders
- The \$10 billion effort to expedite the development and production of Covid-19 treatments and vaccines
- The U.S. achieving energy independence under President Trump
