Priests for Life and EWTN Present...

Defending Life Season 30

With Janet Morana, Fr. Stephen Imbarrato and others!

Wednesdays at 3 am ET and Thursdays at 11 pm ET

(Start date September 21, 2016)

The world's farthest reaching and longest airing program on abortion!

Episode 1: Voting with a Clear Conscience. Learn how to apply Church teaching and practical, political wisdom to one's voting decisions, so as to come to the end of Election Day with a clear conscience.

Episode 2: Ten Responses To Pro-Abortion Politicians. Learn how to respond to ten common statements of pro-abortion politicians.

Episode 3: Vote For Life Campaign. The Church teaches that faithful citizenship not only means believing the right things, but taking action to change the political landscape of the nation.

Episode 4: Death With Dignity. The role of family, communication, and forgiveness all play a vital role in medical decision-making. **Guests:** Karyme Lozano, Mexican Actress and Jeffrey Bishop, Director of Gnaegi Ctr. For Health Ethics, St Louis University

Episode 5: Being Homeless and Choosing Life. Jessica Echeverry, founder and executive director of Sore Feet Saviors, shows us that even in the darkest of circumstances, God's grace, and the generous help of His people, can give a mom the courage to choose life.

Episode 6: My Emptiness After Abortion. This episode fosters compassion for all who have had abortions by entering the heart and mind of Jessica Echeverry who shares her experience of how devastating it was.

Episode 7: Obamacare and the HHS Mandate. In *Priests for Life vs. HHS*, Priests for Life defended religious freedom along with dozens of other petitioners. This case demonstrates the impact that elections have on the Supreme Court and on our daily lives.

Episode 8: End of Life and Advance Directives. Learn about the medical and psychological dynamics at work in end of life decisions. **Guests:** Jeffrey Bishop and Maureen Condic, Associate Professor Neurobiology & Anatomy, School of Medicine, University Of Utah

Episode 9: Silent No More in Washington, DC. See more evidence of how abortion is not a matter of freedom of choice, but is usually forced. **Guests:** Brianna and Kelly regret their abortions and are silent no more.

Episode 10: The Termination Problem. Hear how a prenatal diagnosis can so easily turn into pressure to abort and how parents whose children have particular medical needs can rise to the occasion with generosity and love. **Guest:** Kristan Hawkins, President of Students For Life

Episode 11: Fetal Pain & Dismemberment Legislation. Scientific evidence is clear that a child can detect and respond to pain by eight weeks of development. This has serious implications for our public policy, and for what kind of culture we want to be. **Guest:** Maureen Condic

Episode 12: Eucharistic Processions For Life. As the Church proclaims goodness, she protests evil. These are two sides of the same coin. We should not shrink from the word or work of "protest," especially in response to abortion.

Episode 13: Civil Rights For The Unborn. The pro-life movement is the civil rights movement of today. **Guest:** Alveda King, Director, Civil Rights For The Unborn and Pastoral Associate of Priests For Life
