Silent No More Awareness is a Campaign whereby Christians make the public aware of the devastation abortion brings to women and men. The campaign seeks to expose and heal the secrecy and silence surrounding the emotional and physical pain of abortion.

In 2023, the Campaign assisted with the efforts against the pro-abortion ballot initiative in Ohio, by raising awareness of the damage abortion does. The Campaign also participated in various leadership meetings as various states prepared to battle these amendments in the 2024 cycle, and alerted leaders to the availability of testimonies for that purpose.

The Campaign began November 11th, 2002. As of the end of 2023, the Silent No More Awareness Campaign has held 2,328 Gatherings in 17 countries & all 50 states with 7,028 women and men sharing their abortion testimonies. Testimonies have also been shared at 175 high schools and universities in the last 12 years.

There are 3,118 testimonies posted on the Campaign website with 649 that are shared via video! Currently there are 21,000 people registered with the Campaign representing 77 countries.

People who are not ready to join the Campaign, are invited to 'register their regret'. So far, 7,041 women and 741 men have said they regret their abortion or lost fatherhood. 642 women and men have posted memorials to their children.
