***Your Help Needed to Counter Abortion Ballot Initiatives
Also, An Independence Day Prayer***

July 3, 2024

Dear Father/Deacon,

As we celebrate our Nation's independence tomorrow, I invite you to pray with your congregation a special Prayer of Thanks for our Nation's Independence found at **PrayerCampaign.org/IndependenceDay**.

Priests for Life is among the leading groups working nationally and on the state level to educate and activate voters to counter the various pro-abortion ballot initiatives that will or may be on the ballot this Fall in several states.

These initiatives, with some variations, attempt to claim something that Supreme Court jurisprudence of the last 50 years ***did not claim***, namely, that abortion is a fundamental right subject to few if any restrictions.

The abortion ballot initiatives seek, for the most part, to eliminate even the most reasonable regulations and limits on abortion, contrary to established state law and strong public opinion.

At this point abortion ballot initiative will **definitely on the ballot in Colorado, Florida, Maryland, Nevada, New York and South Dakota**. Other states **likely** to have them on the ballot are **Arizona, Arkansas, Missouri, Montana and Nebraska**.

Priests for Life has a special web page to keep you up to date on these measures, as well as connect you with our prayer campaign. See

www.StateBallotMeasures.org.

The prayer campaign, which will include a major live online prayer event (date TBD), is being co-sponsored by *Focus on the Family, The Justice Foundation, NIFLA, Christians Engaged, Catholics for Catholics*, and the *National Pro-life Religious Council*.

We urge prayer groups, ministries, families, schools and individuals to pray to stop the ballot measures.

Blessings,

Please fax this back to 321-225-8271
