New educational show focuses on stopping pro-abortion ballot initiatives

September 5, 2024

Dear Father/Deacon:

With voters in 10 states preparing to decide whether or not to invent a right to abortion in their state constitutions, Priests for Life will debut a new show, ***Overview of the Abortion Amendments***, on **EndAbortion.TV** on Thursday, September 5 at 9 p.m. ET.

We have been working with activists in all 10 states to educate voters.

The premiere episode, “*Where are the Battles and What is the Strategy of the Abortion Proponents?*” will explain what the abortion ballot initiatives are and present the strategy of the abortion advocates behind them.

Having lost their claim to a federal constitutional ‘right to abortion’ when Roe was overturned, they want to put such a right into the state constitutions.

I will delve into the strategies pro-lifers can employ to fight these amendments, the similarities and differences between the ballot measures in the 10 states, how the language is deceptive, the legal and medical dimensions and how abortion advocates will use amendments that are approved to strike down existing pro-life laws.

I will also talk about what has to be done in states that do end up passing these amendments.

The 10 states with these extreme abortion ballot measures are Arizona, Colorado, Florida, Maryland, Missouri, Montana Nebraska, Nevada, New York and South Dakota. But citizens everywhere can help defeat these amendments, and should make sure to tune in each week, from now through the end of October. The show also will present facts not being reported in the media, and valuable information and strategies for voters in states where pro-abortion amendments already have passed, and those that may face them in the future.

Please inform your parishioners to tune in at **EndAbortion.TV** or any of the social media platforms linked from there. A playlist of all of the episodes will be made available at **www.StateBallotMeasures.org**.

Blessings,
