

## **Position**

Producer/Video Editor

## **Overview of Position**

At Priests for Life, we believe that because the defense of life is the most important work on earth, it should be carried out with the highest professionalism and dedication. We are therefore always looking for men and women who want to combine their professional skills with the deep satisfaction of saving lives and advancing the Culture of Life.

We at Priests for Life are looking for a talented producer/video editor to record and broadcast programs from our TV studio and edit recorded footage into shorter usable clips suitable for distribution on various platforms to advance the vision and mission of our ministry.

This is a permanent, full-time, on-site position at our headquarters in Titusville, FL. No relocation assistance is offered.

## **Responsibilities**

This position requires you to effectively operate a video camera, as well as audio and production equipment. This is a fast-paced environment and we need someone who will be highly motivated, a dedicated team player and bring a positive and energetic outlook to work each day.

## **Duties**

Manipulate and edit film pieces in a way that is seamless for the audience  
Ability to understand our team's vision, mission, needs and specifications  
Trim footage segments and put together the sequence of the film  
Input music, dialogues, graphics and effects  
Create rough and final cuts  
Ability to take a longer clip and discern short segments that can stand alone to make a complete and compelling point  
Ability to sort through video footage and differentiate evergreen material from dated material  
Ensure logical sequencing and smooth running  
Consult with members of administration and the pastoral team from production to post-production process  
Continuously discover, recommend and implement new editing technologies and industry's best practices to maximize efficiency

## **Requirements**

Completion of some formal studies in film, cinematography or related field

Proven work experience as a video editor involving digital technology and editing software packages (Avid Media Composer, Lightworks, Premiere, After Effects and Final Cut)

Proficient in video editing with a strong portfolio with knowledge of timing, motivation and continuity

Familiarity with special effects, 3D and compositing

Excellent organizational, written and spoken communication skills

Ability to juggle multiple tasks and meet critical deadlines in a fast-paced environment

Strong interpersonal skills and the aptitude to build relationships with your co-workers and volunteers

## **Compensation and Benefits**

Priests for Life offers a competitive salary and benefits which include Medical, Dental and Vision Insurance, 401(k) Program, Paid Time Off and Company Paid Holidays.

## **Disclaimer**

The purpose of the above job description is to provide potential candidates with a general overview of the role. It's not an all-inclusive list of the duties, responsibilities, skills, and qualifications required for the job. You may be asked to perform other duties by Management.
