

Priests for Life Youth Outreach Report – 2021

Stand True Pro-life Outreach (www.StandTrue.com) is the Youth Outreach of Priests for Life. The founder and director of Stand True is Bryan Kemper, who travels the nation and the world mobilizing youth to stand up for the unborn and providing them cutting edge resources to do so. As one of the standard messages of Stand True declares, ***“This is the Generation that will Abolish Abortion”***.

The report below provides a glimpse into some of the day by day activities of our Youth Outreach. (As with everyone else, we had to deal this year with the limitations caused by Covid.)

Silent Day – Each year, in mid-October, Stand True sponsors the “Pro-life Day of Silent Solidarity,” on which thousands of students express their opposition to abortion and their solidarity with its silent victims by spending the whole day without saying a word.

Pro-life T-Shirt Day – This year Stand True took back over Pro-life T-shirt Day and we expanded it to three days. The first is on January 22nd, another is in the Spring, and one is in the Fall.

Social Media Outreach – Stand True leads the way in utilizing social media to reach, encourage, and mobilize the youngest generation of pro-life activists, as well as many others who have been in the movement longer. Stand True helps to train other pro-life leaders and groups on how to use the power of social media to help the cause of life.

Abortion Mill Protests – Stand True witnesses at abortion mills around the nation, and helps others to learn how to do the same.

Youth Conferences – Stand True brings the pro-life message and resources to pro-life youth conferences and other pro-life conferences and rallies around the world. Stand True also runs the official youth rally each year at the National March for Life in Washington, DC.

Christian Concerts – Stand True develops relationships with Christian artists and brings the pro-life message and resources to concerts and music fairs.

Some Daily Activities –

Design and develop pro-life graphics for Stand True and other branches of PFL as well as other pro-life groups.

Run Social Media Campaigns for Stand True and other PFL branches using Facebook, Instagram, Twitter, Tik Tok, YouTube, Periscope and more. This includes compiling a library of Social Media tools for projects like Shockwaves.

Design, develop and run store for a collection of pro-life t-shirts, stickers, buttons, patches, posters, wristbands and more. Run online store and shipping of these resources

Summer Outreach

This summer was different than most summers as we were unable to travel and hold events due to Covid, but this will change in 2022 as the country gets back to normal. Normally every Summer Stand True travels all over the country speaking, training and setting up booths at events. We participate in events like Christian Music Festivals, National Right to Life Convention, Survivors Pro-life Training Camp and many more.

A Look at Our Activities for 2021
