Activating God's People to End Abortion

November 9, 2023

Dear Priests for Life Donors,

I write to you today to let you know how happy I am to stand with Pro-life Leader Frank Pavone, and to invite you to do the same.

When I came into the pro-life movement in 1983, he was already there. Long before he became the fulltime director of Priests for Life, he began his work of saving and speaking for unborn babies in 1976, while still a high school student.

When we met in 1999, I needed a pro-life mentor and friend, and I found one in him.

My work with "Fr. Frank," as we all call him, became a fulltime commitment for me. My service of Priests for Life, along with Janet Morana, Dr. Theresa and Kevin Burke, and the whole Priests for Life team, constituted 16 of the most meaningful years of my life.

I became a member of the Silent No More Awareness Campaign, because of my own abortions, and Fr. Frank has been a leader in showing compassion to all those who have made this terrible mistake.

I was privileged to lead the African-American Outreach of Priests for Life, which became "Civil Rights for the Unborn." Indeed, we have continued the work of my Dad and my uncle, Rev. Dr. Martin Luther King, Jr., in advancing what is the civil rights movement of today, the pro-life movement.

And I continue to be a valued member of the Priests for Life team, joining in strategic meetings, doing speeches and interviews on behalf of the ministry, and serving on the Board of Directors.

My hope and prayer today is that you will continue your support of Priests for Life as well, because just as Fr. Frank and his team have done this work for all the time that we have known them, so now, nothing has changed in their commitment to the unborn and in the effectiveness of their mission.

Every member of the team gives of themselves completely every day, and they have not allowed opposition and persecution to distract them from their work.

I will continue to support that work enthusiastically, and I hope you will as well.

Sincerely,

Dr. Alveda King
