***To defeat the pro-abortion ballot amendments in 10 states***

This November, voters in 10 states (AZ, CO, FL, MD, MO, MT, NE, NV, NY and SD) will face ballot amendments seeking to force abortion without limits into their state constitutions.

We invite Americans in *every* state to join us in storming Heaven with petitions to prevent these amendments from passing.

**Sunday, September 22, 2024**
