Dear Father Frank, Janet, Theresa & Staff:

Please accept my most humble and sincere appreciation for your recognition of our services over these 53 years. It has been and is still, our blessing believe me.

I want to express appreciation to all of your staff which was so kind and attentive.

Now, Father, if you will allow me, may I divert to the situation at hand. I am with you. Please know that I believe we are all in God's hands and only He can and will deliver us. May you stay well in spirit and health. Know that you are loved and respected. No one, this side of Heaven, can withdraw the blessing which was bestowed upon you.

I will keep all of you in my prayers, please do likewise for me and my staff and children.
