Briefly, to tell you that our piano concert with Father Denis Wilde at the Swartz Center on the campus of Marywood University in Scranton, PA held on June 23, was a huge success.

Everyone involved could not do enough to help! I must have talked to Michael Moll 30 times, and each time he had answers to all my questions. I greatly appreciate that because this was the first time we had planned a social event like this. I then dealt with Mark Valanzo, a very well mannered, nice young man that had the answers to my questions, and also advised me.

Lastly, Father Denis was excellent with his presentation and his choice of patriotic songs. I was really impressed by his passion and ability at the piano. He then gave an excellent "pro-life" talk for about 15 to 20 minutes and entertained comments, questions and ideas from those in attendance in a Q. & A session which he handled superbly. Finally, we all gathered for refreshments for about 45 minutes prior to the people leaving.

The bottom line is that many people congratulated me and said, "Father Denis was excellent". I am so glad that we were able to have him. I recently saw him on EWTN with Janet Morano who I remember from when Father Pavone spoke at our Prayer breakfast when he was on L.I. N.Y.

Thank you kindly,
