Ethel Fox	I do not understand how anyone who calls themselves a Christian can look at this aborted baby and still say they are pro-choice. Pro-choice is pro-abortion. It is really painful to see, but this baby is the reality of abortion.
Ron McCall	Stop looking at the Priest and look at the poor dead baby. This is the results of an abortion. That is a real human being, so call it what it is and stop trying to make abortion okay by calling it a fetus. Abortion is murder.
Josephine E Pena	This child is now with our precious Lord safe in his arms. Many people think this is a political move because this priest is showing an aborted child, baby, human being. This is a moral issue and about taking an innocent life.
Miguel Valentin	Fr. Pavone is a great Prophet of these end of times.The only thing I will respectfully sort of disagree is, that child was NOT killed by abortion; he/she was killed by a criminal ABORTIONIST.\"Abortion\" is not a person...ABORTIONISTS are!
Carol Peterson	This is one of the main reasons I am in politics. Because a precious baby had the bad luck to have a careless, selfish woman this innocent will never have a chance at life. We have to be their voice. Trump is babies only hope.
Dawn Weeks	God help us be the voice for these little precious lives that have no voice themselves ??????????????????????
Teresa Beatrice	Deborah why so irate that he is showing what happens daily by the thousands??!
Jillian D. Wernke	The baby wasn't used as a prop....anymore then pictures of the Jewish Holocaust were used as props. He's trying to wake up people to the evil of abortion. He's placed the baby in a very sacred spot. ..it is unfair to liken it to candles on an altar.
Gloria Grana Babb	Thank you for doing this because it opens esp Catholic heretics eyes!!!!
Linda Cockrell	HILLARY and Obama are Evil. They do the work of Satan.
Tracey Gleason Galindo	David - more people care about poor abandoned or abused puppies than a baby being murdered by abortion.
Nikita Flowers	If your parents hadn't given you a chance to live, you wouldn't be alive today to talk. Everyone( one day fetus or 40+ weeks fetuses) has/ have the right to live. No one has the right to take another's. It's simple and fair.
Sheila Strappe Rulli	"Perhaps this is the moment for which you have been created." — Esther 4:14
Marina M King	People need to see the reality of abortion! It is so real and not being looked at as real life! WAKE UP!

Guy Arlet	The Church has been involved in practically every human conflict in the last two millennia. The Church is our moral compass, it has the duty to remind us where we stand as human beings, the Church should not sit idle on the sideline.
Paulette Bloom	Even the Egyptian mid-wives knew it was against God to kill the Hebrew babies being born.
Kent Berheide	You can NOT be a Christian and vote for Hillary Clinton! Think about that for a moment PLEASE

Abril America	Vote PRO-LIFE! Hillary Clinton wants to expand abortion all the way to birth! Vote your conscience!
Debbie Whetstone-Papantonakis	I believe the Father , is facing his Godly duty by showing this and if it saves someone else from killing a baby then God Bless him, this baby is in Heaven with God his body is just a shell of what someone killed , Remember that People !!
Kari Mae Carter	Father as my heart is just crushed seeing this sweet baby I have to stand with you for showing! To many pro choice people do not even understand what they are supporting! The world needs to see what we are doing to its youth!

Martinez Jan	Deborah Woods candullo, this is the reality ofz abortion wake up stand against it.. this is the real deal
Steven Martin	Although Father allowed personal overtones,seepinto his message as he is human himself and prone to sin, he is dead on in bringing to the forefront what more priests should have the courage to do. God bless and protect you Father! Thank you!
Gloria Grana Babb	Yes people do this Deborah. Every day. Kill babies and sellbtheirbparts.

Sandra Padilla	Free choice to kill babies, sorry that is not possible to think for a Cristian
Donna Sloan	If that was a puppy or a kitten laying there, that somebody had killed, people would all be outraged. But since it is an aborted human baby, they some how justify it's killing. A lot of people have their priorities all mixed up.
Kara Hill Norman	Extreme but necessary
Teresa Miller	Yes show the horror of abortion. Speak for the unborn without a voice. God bless you Father Pavone!

Jenny Magarro	Thank you father. If we all pray God will save us like he saved the Jews from Egypt.
John Sand	You have to see what is happening to believe it. Without this post slapping you it is just not real to most people. Why do you think they forced the Germans to see the death camps and filmed them? So it could not be denied later.
Nancy Brown	Abortion stops a beating heart stopping that heart leaves a scar on the mother's body and soul she will never be the same
Louis Bergeron	Why don't the Catholic Church just excommunicate these government officials who are for abortion who are Catholics like Nancy polis and tim knine and joe Biden
Noreen A Murphy	I adopted a child, and it took me ten years to have another! Adopt , don't kill!! It's murder, folks, face reality! This little baby that offends you, suffered before he/she died in the womb. No little life deserves this sentence!
