

**(To be said every day for 9 months)**

*"Jesus, Mary and Joseph,  
I love you very much  
I spiritually adopt an unborn child  
in the womb in danger  
of being aborted.  
Bring this child's mom and dad  
to conversion of heart  
that they may love and cherish  
this child within mom's womb  
and bring their child to full term  
and give their child a good home  
In Jesus's good name I pray. Amen"*
