Everything You Need to Know About Abortion – For Teens

By Janet Morana, executive director

Youth are bombarded with the message that abortion is normal and even good and they have few resources to tap into if they want to learn the truth. In Janet's book, these dangerous lies are exposed while the truth about the harm abortion causes to women, men and society is spelled out in easy-to-understand chapters each built around a central theme. Janet Morana introduces readers to the unborn child and to the brutal methods used to kill this most innocent victim.

Shockwaves: Abortion's Wider Circle of Victims: Abortion impacts everyone – not only the mothers and fathers who lose their own children to abortion, but also the grandparents, siblings, extended families and more...

Recall Abortion: Abortion is a bad product that those who experience it recall with pain, and that should be recalled by our government.

Rivers of Blood, Oceans of Mercy: Healing a Nation Deformed and Divided by Abortion Loss

By Dr. Theresa and Kevin Burke and Father Frank Pavone

Explores abortion as our national trauma and offers hope for healing, not only for mothers, fathers and family members wounded by abortion, but also for a nation that remains in denial about the impact of abortion on every one of us.

Forbidden Grief by Dr. Theresa Burke: This book, based on solid research and experience, shows the importance of listening to those who are struggling with past abortions, and suggests ways we can create a more understanding and healing society, where women will no longer be required to hide their pain.

Tears of the Fisherman by Kevin Burke: Helps readers understand the impact of abortion on men, their relationships, families, faith and work.
