Attend a Healing Retreat

Rachel's Vineyard is a safe place to renew, rebuild and redeem hearts broken by abortion. Weekend retreats offer you a supportive, confidential and non-judgmental environment where women and men can express, release and reconcile painful post-abortive emotions to begin the process of restoration, renewal and healing.

Rachel's Vineyard weekends for healing after abortion are offered throughout the year in locations across the United States and Canada, with additional sites around the world. RachelsVineyard.org

Help Others by Sharing Your Story

SilentNoMore.com

At the Silent No More Awareness Campaign we REACH OUT to people hurt by abortion, encouraging them to attend abortion after-care programs. INVITE those who are ready to break the silence to join us in speaking the truth about abortion's negative consequences and the hope found in healing. SHARE our personal testimonies of hurt and healing at public gatherings and events. EDUCATE the public about the harm of abortion.

The Campaign also seeks to expose and heal the **Shockwaves of Abortion** by welcoming testimony, not only from the moms and dads, but also from grandparents, siblings, friends, former abortionists...all who have been impacted by abortion.
